Divine Sayings: 101 Hadith Qudsi: The Mishkat al-Anwar of Ibn Arabi by Muhyiddin Ibn Arabi

A Magnificent Book!

A collection of 101 hadith sayings, this work is one of the most important and influential early collections of hadith qudsi. Falling into three categories, the first 40 sayings each have a full, unbroken chain of transmission that goes back to God through the medium of the Prophet Muhammad. The second category are sayings mostly taken from well-known written collections. The final section is drawn from similar books, with Ibn Arabi adding one extra hadith, orally transmitted. Comprised of a full introduction explaining the meaning of Hadith, the text stresses the importance of this tradition in Ibn Arabis writing.

Personal Review: Divine Sayings: 101 Hadith Qudsi: The Mishkat al-Anwar of Ibn Arabi by Muhyiddin Ibn Arabi

This book is quite simply a remarkable and amazing book. If you don't know anything about Islam, start with this book. If you thought you knew a thing or two about Islam, read this book and you will discover a whole lot that you had no clue about. If you know a lot about Islam, either as a muslim or a non-muslim, and haven't read this book, read it and you will discover dimensions that you never knew existed. The translation is superb, and its publication has been done in a most scholarly fashion which meets the highest standards. For those who are familiar with classical Arabic, you can find the entire Arabic version printed beautifully to your delight. Do yourself a very big favor and start reading this book as soon as possible. My most sincere thanks to the translators of this book.
